National Rubber Conference

Organised with a vision to encourage the progressive run of the rubber industry and enlighten stakeholders on the recent developments on raw materials, machinery, processes and industry trends, National Rubber Conference (NRC) is the industry's most eagerly awaited event since 2012. Brought to you exclusively by All India Rubber Industries Association (AIRIA), the 2-day event has been instrumental in bringing the best minds in the rubber industry from India and abroad on a single platform. Keeping up with its tradition, NRC will bring together delegates from Industry, Government agencies, Related Industries and Academia for further understanding and developing the Indian Rubber Industry. To be hosted in Mumbai at The Westin Mumbai Powai Lake, the tenth edition of this mega event will bring to light the comeback strategy for the rubber industry through a series of technical and non-technical presentations by eminent speakers from India and overseas.
